

We're glad to help you give back!

Our awareness shifts when we open our hearts to nonprofit organizations and the work they're doing to make the world a better place.

John Foley Inc. gives ten percent of net proceeds to the Glad To Be Here[®] Foundation—a nonprofit started by John and his wife, Carol, in 2015. The Foundation supports a wide variety of social, educational, and environmental services around the globe and has donated millions of dollars to date to nonprofits.

We'd like to partner with you by donating up to \$1,000 to an organization of your choice! Just let us know where we can direct the donation, or we're happy to recommend a cause we support if you don't have one.

We look forward to sharing a "purpose larger than self" by joining together to support the causes closest to our hearts.
